ROLY CERTIFICATES

COMMITTED TO THE BEST PRACTICES

At Roly we have different national and international certificates that guarantee the quality of our products and our commitment to society.

SMETA 4 PILLARS

Roly has successfully passed the Smeta 4 Pillars ethical audit, which guarantees the company's good practices in the fields of health and the prevention of occupational risks, the regulatory requirements in terms of work, environmental safety, corporate social responsibility and Business ethics.

SEDEX® MEMBERS

As a member of Sedex®, Roly assumes the ethical code of this organization and meets all requirements audited under this international social standard, being part of a global organization that promotes corporate responsibility with society in its broadest spectrum of action. Sedex helps Roly manage its activities on labour rights, health and safety, environment, business and commercial ethics.

OEKO-TEX STANDARD 100

Most Roly products have this certificate that guarantees their commitment to all environmental requirements during the manufacturing process and that the fabrics, their dyes and any component of the garment, do not contain harmful or dangerous substances.

OCS 100 (Organic Content Standard)

Roly has a range of products where more than 95% of its components have an organic origin certified by Ecocert Greenlife according to the available standard on www.ecocert.com with license number 198360.

ISO 9001: 2015

The company complies with all quality management requirements, specified in this international standard.

ILO (International Labor Organization)

All factories that produce Roly products comply with the provisions of Genoa Convention No. 138, which regulates the minimum age for employing minors.

ISO 14001: 2015

The compliance of this standard guarantees the respect for the environment, helping the company to identify, prioritise and manage all environmental risks.

AEO

As an "Authorized Economic Operator", Roly is certified as a reliable importing and exporting company for customs authorities throughout the world, which facilitates the transit of the goods we commercialize.

ISO 45001: 2018

The company complies with this standard, that specifies the minimum requirements for the implementation of an occupational health and safety management system.

PEFC

Roly is a member of PEFC, a program that promotes the sustainable management of forests to achieve a social, economic and environmental balance, which is why the paper used in this catalogue, and of most of the material printed by the company, is obtained from wood from sustainable forests.

GRS Certified by INTERTEK

Roly has a range of products (IMOLA and IMOLA WOMAN), in which part of the tests have been certified by the GRSS.

GOTS Roly has a range of products (GOLDEN and GOLDEN WOMAN), which fabrics are certified as 100% organic.

HI-VIZ

Roly high visibility products have obtained the Certification of EU Examination Type PPE intended for signaling the user's day and night presence in dangerous situations of poor visibility, according to EN ISO 13688: 2013 and EN ISO 20471: 2013 / A1: 2016 as a garment, in different classes according to model / colour.

This standard specifies the mandatory norms to protect workers and the environment. There is a total of 46 social and environmental criteria, covering a broad spectrum ranging from raw sewage to forced labour.

This standard guarantees the protection of the human being and the environment against the risks associated with the manufacture, commercialisation and use of chemical substances.
